### ABOUT ME

Experienced Software Developer with a proven ability to design, develop, and deploy high-quality software solutions. Skilled in modern programming languages, frameworks, and tools, with demonstrated expertise in full-stack development, system architecture, and API integration.

### WORK EXPERIENCES

#### Intern

App-Factory Academy, Wollo University

March 2022 – July 2022

- Developed full-stack software solutions, contributing to two real-world projects that improved operational efficiency by 20%.
- Designed, coded, tested, and deployed three web applications using JavaScript, HTML, CSS, React, and Node.js, enhancing user experience and reducing load times by 15%.
- Partnered with senior developers to implement 10+ new features, resolve 50+ bugs, and optimize application performance, resulting in a 30% increase in system reliability.
- Developed analytical, interpersonal, and collaboration skills by actively contributing to 1 cross-departmental project, resulting in a 20% improvement in project delivery efficiency.
- Implemented version control practices using Git and GitHub, coordinating contributions from a team of 5 developers and ensuring 100% codebase integrity across three major projects.

### EDUCATION

#### Bachelor of Software Engineering,

Wollo University, Kombolcha Institute of Technology

September 2018-September 2023

CGPA-3.77

### HONOURS AND AWARDS

- Academic Excellence award, Wollo University, September 2023

### VOLUNTEERING AND COMMUNITY

- Volunteer and member of anti-drug and ethics forum, Wollo University, September 2023
- Volunteer and team leader of student police, Wollo University, September 2023
